The **Grand Park Sports Campus** is the cornerstone of our strategy to make Westfield a premier destination for youth sports and families. The park continues to exceed its attendance projections and its economic impact is benefitting many local businesses.

Since 2018, Grand Park has served as the official home for **Indianapolis Colts Training Camp** and is proud to continue doing so. As a city, we strive to always promote a spirit of hospitality and provide the best training camp experience.

The **400-acre sports campus** features a full range of championship-level outdoor facilities for baseball, softball and field sports including soccer, football, field hockey and lacrosse. The Grand Park Events Center, our indoor sports facility and convention space, also allows us to accommodate year-round play and corporate events. Future development around the campus will feature dining, retail and entertainment venues geared toward supporting and enhancing the family sports atmosphere.

Westfield has been named one of the “**Top Ten Places to Raise a Family**” by Family Circle Magazine and has consistently been recognized as one of the best places to live in Indiana and the country. We certainly agree!

While you’re in Westfield, I hope you will visit our downtown. You’ll find great local restaurants, pubs and shops to fill your free time with a unique Westfield experience. You can also enjoy our award-winning trails and parks system, too. If you’d like to stay up-to-date on all things going on in Westfield, follow us on social media and at **westfieldwelcome.com**!

Thank you again for visiting Grand Park and the Westfield community. We hope you’ll be back often.

Sincerely,

**Andy Cook**

Grand Park and Westfield offer a memorable visitor experience. Enjoy the unique local restaurants and shops in Downtown Westfield and visit the green spaces and trails surrounding the campus.

In our neighboring Hamilton County communities, you’ll also find a myriad of entertainment options, including Conner Prairie interactive history park, Ruoff Music Center and the Palladium concert hall. You can also venture to downtown Indy to tour Lucas Oil Stadium, Indianapolis Motor Speedway and NCAA Hall of Champions or take the family to the world’s largest Children’s Museum and Indianapolis Zoo.

Enjoy the local restaurants, pubs and shops of Downtown Westfield to get the unique Westfield experience. Visit the green spaces and trails that make downtown a walkable, vibrant destination for residents and visitors alike. In future years, the downtown will be home to Grand Junction Plaza, a public gathering space that will offer activities and programming for all seasons of the year.

Visit westfield.in.gov for updates.
Located along US-31 between 146th and 151st Streets, this area offers a wide variety of local dining and shopping options as well as many of your favorite chains. Here you’ll find a 17-screen movie theatre, numerous fast food and sit down restaurants as well as many nationally-known specialty retailers.

From US-31, use exit 129A (from the north) or 129B (from the south) to take advantage of this vibrant business district.

Westfield has more than 110 miles of trails throughout the city and township. Get active and take advantage of this unique way to get to know the community. The Monon Trail, Indy’s most popular running and biking path, also connects Westfield to downtown Indianapolis and extends along the east side of Grand Park to Sheridan.

The city operates 10 parks throughout the community, including a splash park at Quaker Park, located just south of IN-32 on Dartown Road, and the beautifully wooded Asa Bales Park just north of downtown. Visit westfield.in.gov/parks for park locations and more information about their unique features.

Appointed director of Grand Park in 2016, William Knox brings an extensive sports background to position. His father, Bill Knox was a defensive back for the Chicago Bears. A game-used football on William’s desk commemorates the day he was born – a gift from his dad.

“Working at Grand Park is as close to my dream job as I’ve ever had thus far,” said William. “This position allows me to combine many areas I love – with two of my biggest passions being sports and business.”

William grew up in Gary, Indiana, where he lettered in four sports in high school: football, track, golf and wrestling. Knox earned a Bachelor of Science degree in Sports Marketing with a minor in Business from Indiana University and started his career as the Director of Sports Marketing with Bloomington Convention and Visitors Bureau. Later, he became the Director of the Hoosier Sports Corporation and most recently served as Director of Sports Development for Hamilton County Tourism and as Director of the Hamilton County Sports Authority.

In addition, he is a board member of numerous organizations, including the Indy Eleven Soccer Association, Sports Indiana and Mudsock Youth Athletics.

The Grand Park Events Center opened in the summer of 2016 as a centerpiece of the 400-acre Grand Park Sports Campus. The 377,000 square foot facility features three full-sized professional turf fields. Food and beverage services are also available in the onsite restaurant, spectator lounge and viewing suites.

Originally constructed for field sports (soccer, football, rugby, field hockey and lacrosse), recently added hard surface flooring allows the option for volleyball, futsal and consumer shows. The Events Center also houses an arcade for park visitors, and serves as home for multiple organizations including Methodist Sports Medicine, Indiana Soccer Association and Indiana Fire Juniors.

**GRAND PARK EVENTS CENTER**

- **377,000 feet²**
- **45,000 feet²** warm-up area
- **30,000 feet²** mezzanine for spectators
- **3 full-size indoor fields**

The 88,000 square foot indoor athletic facility is home to eight indoor courts for basketball, volleyball and futsal. Multiple sporting events, camps and club teams are available to join year-round.

Tournaments at Pacers Athletic Center are sponsored by some of the biggest names in sports today, including Nike and Adidas. It is home to the Jr. NBA Pacers as part of the Jr. NBA Flagship Network.

Visit pacersac.com for more information.
Pro X is a multi-sport training destination that hosts sports performance programming, sports rehab & physical therapy, and sport-specific instruction for baseball/softball, football and golf.

Inspired by innovation, Pro X uses state-of-the-art technology to optimize each athlete’s potential. The facility features 60,000 square feet of indoor training space with over 35,000 square feet of open turf, 22 batting cages, 3,000 square foot weight room, golf simulator, sports vision lab and much more.

The membership structure at Pro X is uniquely designed to encourage athletes to have unlimited access to the facility and unmatched staff. The monthly membership allows staff to customize individual training programs for athletes both in-season and out-of-season thus maximizing their full potential.

NCAA and NCAA Hall of Champions are trademarks of the National Collegiate Athletic Association.
World-class sport facilities aren’t the only thing that makes Grand Park impressive. Safety tops the list of Grand Park’s core values, and staff members make every effort to ensure the well-being of all athletes and visitors.

Park officials work closely with Westfield Police and Fire on a daily basis to make sure they are prepared and ready for any emergency. Public safety personnel are onsite during large events with others ready to respond nearby.

Grand Park also maintains 14 AEDs throughout the park to be equipped for a cardiac emergency and provides training in CPR and the use of AEDs to all park employees and support staff.

“As a premier destination for youth sports, we place safety at the forefront,” said Westfield Mayor Andy Cook. “The investment in onsite AEDs and the continued training of our staff and partner organizations further reinforces that commitment.”

Athletes and visitors to the park also have access to some of the best sports medicine care available. Methodist Sports Medicine, Grand Park’s official sports medicine provider, operates a 2,500 square foot clinic in the Events Center. The facility is staffed by athletic trainers, physical therapists, a chiropractor and an orthopedic doctor. Methodist Sports Medicine also provides medical staff for all onsite sporting events.

Methodist Sports Medicine is proud to partner with the City of Westfield and serve as the official medical provider for Grand Park Sports Campus. Our 2,500 square-foot facility is located on the second floor in the Events Center and staffed by athletic trainers and an orthopedic surgeon for all tournaments and games, as well as physical therapists for rehabilitation and recovery needs. No matter your occupation or level of activity, the team at Methodist Sports Medicine is ready to help. If in need of orthopedic care, stop by any of our six locations nearest to you.

@methodistsports

(317) 817-1200 19000 Grand Park Blvd. Suite K Westfield, IN 46074
One of the top priorities for the Grand Park Sports Campus is Safety. Driven by this priority, we have gone to great lengths to seek the most accurate and preventative weather alert system in the country – which has led us to Thor Guard.

Thor Guard is an automated weather alert system that monitors incoming threats based on the electricity level in the air. It is used by some of the top universities, stadiums and sports complexes in the country.

Thor Guard connects to our existing weather alert system (i.e., campus sirens and lights) and is automatically activated when Thor Guard confirms we have reached a Red Alert. When the weather alert system is activated, it is mandatory that ALL VISITORS seek shelter in their vehicles or off-site.

Alert Levels for Reference:
- **All Clear** – Area is safe.
- **Caution** – Be alert, the atmosphere may be in flux.
- **Warning** – The energy is changing in the atmosphere, but it may be passing by.
- **Red Alert** – Safety is compromised.

While the technology behind Thor Guard is impressive, it is only impactful with the participation of our visitors. THANK YOU in advance for heeding the alert system and making Safety your top priority, too.
